EXHIBITS IN C. OF C. TENT CREDIT FAIR
"Pull Together" Spirit Shown in "Boost" Displays

Early on the scene and with a most attractive display and one that would be a credit to a much more extensive exposition, the various chambers of commerce of neighboring towns were in full swing entertaining visitors today.
The chambers of commerce tent, more than one hundred feet in length is located at the extreme south end of the grounds. As the visitor enters he is directly opposite the large display of the Lomita Chamber of Commerce and Business Men's Association.
On the left are three booths, thrown into one that contain the unique display of the Los Angeles Harbor and Wilmington Chamber of Commerce a life-sized model of a passenger-carrying aeroplane—mounted on a Ford chassis. So startlingly realistic is this Midget flying machine that many mistake it for the real thing.
Next to Wilmington is Redondo Beach and then comes Inglewood to be followed by the handsome display of Long Beach in its oak-enclosed booth whose walls are covered with handsome photographs of the beautiful homes, business blocks and factories of our sister city.
The Gardena Valley Chamber of Commerce that includes Gardena, Strawberry Park and Athens is well located and the display a credit to that progressive community.
At the South end of the large tent is the reception and rest room with comforts for the tired sight-seer or the visitor who desires information.
To the right of the rest room is one of the handsomest exhibits in the tent, that of the Atchinson, Topeka & Santa Fe railroad. At great expense and trouble this road has installed a handsome working model of one of their passenger locomotives measuring more than ten feet in length and complete to the most minute detail.
To the left of this interesting booth is the magnificent display of the Palos Verdes Project about which will be gathered thousands of tourists and prospective homeowners whose many questions will be answered by a corps of officials of the great "city planning" enterprise.

Willard Battery Service to Move

A fine location has been set aside for the Willard Battery Service Station in Palmer's New Garage, which is nearing completion. The structure will be of brick, with beautiful ornamental outlines, and the entire lot not under cover will be of solid cement. A double driveway has been planned and all roads will lead to the Willard Battery Service.

Concerts Scheduled In Evenings All Week
Both the Pacific Electric Band, of 55 pieces and the Redondo Beach Band will give concerts during the week. Straight ahead signs are on all roads leading into Torrance, and we have a hunch that they will be crowded all this week. Neighboring cities are addressing their interest in the fair, which is a good omen.

UNION TOOL TAKE FINAL GAME 3 TO 1
Hammond and His Men Bring Home The Bacon

The Union Tool Club won the final game of the series from the Buick team last Saturday, three to one, thus copping the honors in the first playoff series of the Saturday League. The game was played at Sawtelle, a neutral ground, and was witnessed by a large number of rooters from both Torrance and Los Angeles.

Like the game staged at Torrance a little over two weeks ago, when the Buicks took the first game on luck, 1-0, it developed into a real pitchers' battle. Sweet pitched his own steady game all the way, and only one run was scored off him, and that in the early part of the game.

Margozewitz had his way up until the eighth inning, allowing but one run to count for the local boys, but two more were put across in this frame on two doubles and a single, which put the game on ice for Manager Hammond and his strong organization.

Much credit is due "Rev." Sweet for his fine work in the box in these last three games, and he has made outsiders see that Torrance has a base ball team that means business.

Box score:
Union Tool 1 0 0 0 0 0 2 0—3
Buicks ———0 0 0 1 0 0 0 0—1
Three-base hits—Atwood, James.
Two-base hits—Atwood, Lakey, James. Sacrifice hits—Arnold, Keer
Bases on balls—Off Sweet, 3; off Margozewitz, 2. Struck out—By Sweet, 10; Margozewitz, 6; Umpire—Ralls and Alfleck. Time of game —1 hour, 55 min.

O. E. S. Celebrate First Anniversary

Torrance Chapter No. 380 O. E. S., celebrated its first anniversary with a birthday party and shower at the close of the Chapter, Thursday evening, August 10.

A musical program, consisting of community singing and a group of songs by Mrs. R. C. They consisted of articles to be used in furnishing the new hall.

Adjournment was then made to the Lomita Civic Hall, where a delicious banquet was served. Before being seated at the tables, all were given a chance to view the beautiful star-shaped birthday cake, iced in the colors of the order and with one lighted candle in the center. The cake measured thirty-six inches in diameter. Toasts, were given by Roy Musser of Los Angeles, Junior Past Grand Worthy Patron; Mrs. Miller, Grand Aday; Mrs. Bertha Ingmire, Torrance Chapter's Fairy Godmother; Mrs. Jones W. M. of Gardena; Mrs. Henry Lenke, W. M. of Harbor Chapter, San Pedro. The Sentinel of Torrance Chapter read his report, giving the number of meetings attended by the different officers. The Chapter room and tables were decorated with pink chrysanthemums and fern and baskets of Amaryllis, carnations and fern. The favors were tiny pink bags, drawn up with green ribbons, filled with candy.
All present report a most enjoyable evening.

Wanted to Be There.

The great banker lay on his death-bed. Many of his friends were gathered about his bedside to be with him at the last. The attending physician whispered to the group: "I fear he is nearing the great divide."
"Tell them not to divide until I get there," whispered the dying banker.—Forbes Magazine.
